The law „Kunst-, Kultur- und Sportsicherungsgesetz“ (KuKuSpoSiG) provides a helpful solution for event organizers and costumers. Here you can find important information regarding the implementation of the new voucher solution for concerts affected by COVID-19.

Naturally, there are a few questions about the procedure. We tried to explain everything as clearly as possible, however we must inform you that some things could still change.

We will keep you informed about these changes as much as possible.

Thank you for your understanding.

Answers to FAQs regarding the law for events affected by COVID-19

(KuKuSpoSiG)

1. Which events does the new law apply to?

It applies to all events which should have taken place in 2020 and 2021 and could not take place due to COVID-19. It will also apply to events, which are not affected yet, but might be in the future.

2. Where can I find out about events that are cancelled or postponed?

On www.barracudamusic.at you can find an up-to-date list of the affected events in the [news section](#)⁷ (in German).

3. What happens to postponed events

Tickets stay valid.

4. What happens to cancelled events?

You will receive a voucher which replaces your ticket. You can redeem this voucher by buying tickets for every other event of Barracuda Music, provided that tickets are available. The voucher amount is paid out in accordance with the statutory provisions of the KuKuSpoSiG. This law also regulates when you can request a payment of the voucher amount.

5. Examples of the voucher model for 1-day events

A.

Ticket for a 1-day event with a price of up to **EUR 70,-**
→ Voucher in the amount of up to EUR 70,-

B.

Ticket for a 1-day event with a price of **EUR 150,-**
→ Voucher in the amount of EUR 70,-. A payment of EUR 80,-.

C.

Ticket for a 1-day event with a price of **EUR 250,-** or more
→ Voucher in the amount of EUR 70,- (or more). A maximum payment of EUR 180,-

6. Examples of the ticket return options for festivals (events lasting multiple days)

This applies to tickets of all categories (Caravan, VIP, etc.). The price of the ticket for an event lasting multiple days will be divided by the number of days of the event.

Example: The ticket for a 3-day festival costs **EUR 180,-**.

$$180 : 3 = 60$$

The voucher value per day would be EUR 60,-. Therefore, you cannot request a payment, but you would get a voucher in the amount of EUR 180,-.

Our festivals are usually made up of 3 to 4 days for which individual day passes are also available. The festival pass can be regarded as a special offer for all festival days.

The regulation can be found [here](#)⁷ in paragraph / Abs.4 (in German).
